

Portrait Touchscreen Kiosk - Double Sided

Engage your audience with an interactive kiosk solution from ABCOMRENTS! With its sleek design accentuating the double sided 55" Multi-Touch LED displays, this is one kiosk that is sure to stop the passerby! Each monitor has an integrated Dual-Core i5 Processor, Windows 8 and built-in wireless capabilities, meaning each side can run it's own content. Your audience can interact using up to 10 simultaneous touch points on both sides! Rent with confidence and bring your event to life with this modern kiosk today!

Features

This next generation kiosk brings you a slim, fresh look with security all in one that is fully brandable! The secured door allows for quick and easy access to both of the displays while preventing unwanted access inside of the kiosk. Easily transported nationally with convenient service locations throughout the United States.
