

58" DOUBLE SIDED KIOSK

Our Innovate Digital Kiosk just got even more powerful! Introducing the Double Sided 58" Kiosk; the same sleek kiosk but with two interactive display sides! Deliver your message at any event or tradeshow by captivating your audience from both directions so that you can ensure you never miss a passerby! The Double Sided Kiosk comes with Mini PC's to drive the same content or different on either side. It also takes up minimal footprint with a profile of the kiosk itself only being 4.75" in depth! With two Ultra HD Displays and 10-Point touch, this fully brandable digital kiosk will demand attention in even the most crowded of places. Utilize this modern kiosk for Event Messaging, Wayfinding, Tradeshow Information, Registration and much more!
